To Go

1. Read Romans 12:9-21 and make a list of all the personal applications recorded. Circle the ones you believe God is speaking to you about.
2. Is there someone you are not living in harmony with because of pride? Make an intentional effort this week to pursue harmony with that person.
3. Celebrate the fact that we as a church are multi-generational. After the service, introduce yourself to someone of a different generation. Tell them you are glad they are here.

At Home Study Guide

For the week of January 14, 2018

John 13:35; Galatians 3:28

We will consider Bethel Church's Mission/Vision/Values, and what they mean for our life as a body of believers, on the first three Sundays in January. As you study the passages, look beyond your notes to glean more truth by using these questions, so that you know God better!

The Old Testament commands us to love one another (Lev. 19:18). What is new about Jesus' command here (see John 13:1; 15:13)?

How has Jesus loved us? Think about what the Bible teaches and notice he gives this command right before the last supper.

In Christ, old views of superiority and inferiority are removed. We are still distinct from one another, but no one is better than another because of ethnicity, position or gender. How have feelings of superiority affected how you view others?

How should these passages and this value affect our ministry at Bethel? How should it affect our personal relationships with others in the church, and in the community?
