John 16:12-16

*Bethel's Mission is described simply as **Love God – Love Others – Serve the World**. These phrases are the basis for our Vision and Values. Think about the mission as we consider the work of the Holy Spirit in this series. A good way to summarize the work of the Holy Spirit:*

God the Holy Spirit takes what Jesus has achieved and accomplished and effectively applies it to give life through the Word.

Jesus calls the Holy Spirit “the Spirit of truth” again in this passage. What truth is the Holy Spirit guiding Christians into, according to John 16:12-16?

Notice how much the Father, Son, and Holy Spirit work in tandem, according to these verses. Try to explain in your own words what this passage is describing concerning how the three persons of the Trinity work together.

Jesus is speaking to his disciples, to whom the Spirit will declare what they eventually wrote for us in the New Testament. The Spirit also teaches all Christians in a lesser way, by declaring to us what God has said. Take some time to meditate on this and thank the Holy Spirit for teaching you.
