At Home Study Guide

For the week of May 26, 2019

As we learn about healthy relationships, take some time each week to reflect on the Scripture passages. Use these questions to guide your individual or group discussion on this important topic for every believer.

1. The emphasis today is on this truth: Disciple-making relationships reflect the mission of God. How did Jesus live out this truth in his relationships with his disciples and others?

2. In what ways did Jesus show his authority while he was on earth? How does that encourage you in your mission to make disciples?

3. The main emphasis of Jesus that he leaves with us is to make disciples.
 - a. Reflect on yourself: who poured into you to help you become a disciple (a follower/learner of Jesus)?

 - b. Reflect on your disciple-making of others: who are you building relationships with so that they can become a disciple and grow as a follower/learner of Jesus?
