# At Home Study Guide

For the week of July 26, 2020

*God is light. God is love. Both are simple statements with profound implications. John digs into these truths in the letter called 1 John. Pray and think over this 9 week series about how God's light and God's love affect how to relate to God, others, and the world.*

1. John gives two tests for ourselves to examine whether we are Christians. Do you love others and not the world (vv. 7-17)?
2. The next test is this: Do you believe that Jesus is the Christ, the Son of the Father (vv. 18-27)?
3. Why are these two tests important for us to think about?
4. Examine yourself today. How are you doing in these two areas?
