At Home Study Guide

For the week of August 19, 2018

As we consider the theme of gathered and scattered in August, we will think about what that means for how we Love God, Love Others, and Serve the World. Allow this series to prepare you for how God might have you participate in ministry this year.

Gathered and scattered refers to the church coming together regularly, and the church going out to serve others. The Bible teaches us to love others (Lev. 19:18; John 13:1; 15:13). How do we do that when we gather?

How has Jesus loved you? How does his love for you help you to love others as we scatter as a body of Christ?

We love others with our head, our heart, and our hands, in other words by how we think (our convictions), how we feel (our character), and by what we do (our competency). Consider how you grow in your love for others in these three ways.
