

At Home Study Guide

For the week of September 15, 2019

Are you healthy? What does it look like to be healthy? In this series we want to ask the same questions of our church. What does a healthy church look like? As we answer this question through this series, think about how you can contribute to the health of Bethel Church through Loving God, Loving Others, and Serving the World.

1. We want to help you take the next step in your spiritual walk, beginning with trusting Jesus and continuing with loving God, loving others, and serving the world. How would you describe where you are at in your spiritual walk today?

2. Read 1 Corinthians 12:12-27. Relational community is vital to your spiritual growth, and to reproducing followers of God. From 1 Cor. 12, list the many ways the members of the body of Christ help one another. How can you take the next step and be more involved in relational community?

3. Jesus calls us to make disciples (Matthew 28:19-20). Making Disciples can be described simply as spend time and speak truth. Who is one other person that you could spend time with regularly to help them grow? Pray, plan a time with them, and use the Speak Truth app for conversation starters.

ONE THING

Explore the *SpeakTruth* app, and pray about how God is calling you to Spend Time and Speak Truth in a disciple-making conversation this week.
