# At Home Study Guide

For the week of September 29, 2019

*Are you healthy? What does it look like to be healthy? In this series we want to ask the same questions of our church. What does a healthy church look like? As we answer this question through this series, think about how you can contribute to the health of Bethel Church through Loving God, Loving Others, and Serving the World.*

1. 2 Corinthians 8-9 gives us Paul's insight into generosity when the Jerusalem believers were struggling greatly for their faith. What do you discover about the situation and the participation of the churches as you read these chapters?
2. How does Paul describe the giving of the churches of Macedonia in 2 Cor. 8:3-5?
3. From where does our heart for giving come (2 Cor. 8:9)?
4. 2 Corinthians 9:6-8 describe what our attitude should be in giving. What is your general attitude? What does God do for the giver, according to verse 8?
