# At Home Study Guide

For the week of October 6, 2019

*Are you healthy? What does it look like to be healthy? In this series we want to ask the same questions of our church. What does a healthy church look like? As we answer this question through this series, think about how you can contribute to the health of Bethel Church through Loving God, Loving Others, and Serving the World.*

1. Gathering together to worship God is critical to spiritual growth. On a scale of 1 to 10, how important is it to you to be at church each Sunday to worship God through song and hearing God's Word preached? Why did you pick that number?

2. We are each God's dwelling place individually, but the church gathered together is also where God dwells. Read 1 Corinthians 3:9, 16-17 (where "you" is plural) and talk about what it means that Christians corporately are God's temple.

3. We worship and praise what we love, and we intentionally spend time with those we love. Read Hebrews 10:24-25. What are some ways you can encourage greater love for and worship of God in yourself and others?
